Meet Me at "The Fair" Next Tuesday

MASONS BARBECUE THURS.- DAY THE BIGGEST YET.

Crowds and Crowds of People Thronged Into Cloverport to Meet at "The Prettiest Natural Park in the State."

EXCELLED EVERY ANTICIPATION.

The Mason's barbecue Thursday—there has never before been one just like it—because the crowd was never so large, the day never so fine, the dinner never so good, the amusements never so many. To think of the crowd of moving humanity that came into Cloverport in parties of two, tens, dozens and half dozens, makes the head swim. The L. H. & St. L. brought in 990 people off the branch and just how the 7000 got here is a puzzle, but they were "sure" here for the conservative estimate of the attendance was 8000 people. The great crowd of people that came into Cloverport was amazing. The Owensboro Enquirer has the following to say:

Crowds, crowds, crowds, were all that could be seen Thursday at Cloverport, on the grounds where the Masons of Cloverport held their ninth annual barbecue. It is estimated that there were 8000 people on the grounds, and that an exceptionally good time was had by all. The crowd ate the meats and all other refreshments and carriages to be had. One hundred and twenty-five gallons of cream were shipped from Owensboro to the grounds, and so great was the rush on this that another supply was ordered about 10 o'clock in the morning.

A special train of six coaches was run to the grounds by the L. H. & St. L., over the Fordville branch, and trains passing here carried one and two extra coaches for the accommodation of those who went from here and other points along the "Texas."

JAKE HANKS

Dies at His Home at Stephensport Monday morning--Was Well Known Business Man.

News was received here as the paper was going to press of the death of Jacob Hanks, one of the best known business men of Stephensport and the county. His death was caused from typhoid fever. He is survived by his wife, one brother, several sisters and his family.

The funeral arrangements have not been made, but the services will be held in Cloverport by the K. P. Lodge. Mr. and Mrs. John Weisenberger went to Stephensport yesterday to be with the family.

GETS \$8000.

Dallas Springgate, through his attorney, Claude Mercer, recovered \$8000 for personal injury in an accident on the Big Four Railroad at Sanford, Ind., on April 22, 1910. In this same accident Harmon Briskell, of this county, was killed and recovered \$10,500. Mr. Springgate's injuries are very severe, but it is hoped an operation on the head will relieve brain pressure and that eventually Mr. Springgate will be about well again.

Meet her at the Fair!

House Party at Carter's.

Miss Margaret Carter has been hostess to a week end house party at her home on the pike. Her guests were entertained by Mr. and Mrs. Frank Carter during their stay. They were: Misses Willa Hill and Nell Livers, of Paris, Texas; Miss Mary Nevitt, of Basin Springs; Miss Myrtle Lyddan, of Webster; Miss Rhena Roberts, of Irvington; Mr. Wm B. Schmitt, of Louisville, and Mr. Conley Carter, of Huntington.

Do the right thing if you have Nasal Catarrh. Get Ely's Cream Balm at once. Don't touch the catarrh powders and snuffs, for they contain cocaine. Ely's Cream Balm releases the secretions that inflame the nasal passages and the throat, whereas medicines made with mercury merely dry up the secretions and leave you no better than you were. In a word, Ely's Cream Balm is a real remedy, not a delusion. All druggists, 50 cents, or mailed by Ely Brothers, 56 Warren Street, New York.

Everybody Should

Dear Mr. Babbage: Enclosed find 25 cents for the News. I cannot do without it. Every home should have the News as one can hear from so many through it. I would be lost without it. I think everyone should take the News for I know they would enjoy it.

Yours Truly,

Mrs. Myrtle white, Cloverport.

Given Away. In addition to nice building lot and \$5 in gold, there will be given away to the ladies some nice presents. Be sure to be on hand, Aug. 27th, Saturday at 2 p. m.

o o o
Please call the new lots "Paul's Addition in honor of Mr. Robert S. Paull, who has honored the place." Mrs. J. B. Babbage.

Floral Hall Siftings

Remember, all articles for Floral Hall must be in not later than Saturday noon the 31st.

No danger of loss or damage to articles in Floral Hall this year.

You will feel muchly proud of that blue ribbon centpieces scarf or some other article of fancy work. Send them in.

Your cakes, pickles, jellies etc will be as well preserved when the Fair is over as when entered.

In addition to the regular premiums The Bank of Hardinsburg will give \$5 in gold to the lady receiving the greatest number premiums in Floral Hall. Pretty nice, isn't it?

Articles for Floral Hall are coming in rapidly. Deliver or mail them to P. M. Beard, Hardinsburg, Ky.

We lack a few quilts and counterpanes to fill in the space. Can't you help us out.

Floral Hall belongs strictly to the ladies and it will be no better than you make it. If our men folks could contribute it would be a hummer.

It would be a shame for The Bank of Hardinsburg Floral Hall premium to go to one of our sister counties. Better look out Breckenridge!

If the best is not too good for you Lewisport BEST flour is the flour you ought to use.

GREATEST EVENT OF THE GOOD OLD SUMMER TIME.

Begins Next Tuesday When the Breckenridge County Fair Association Meets at Hardinsburg-- Everybody Planning to Go.

CLEAN SHOWS--NO GAMBLING.

One can hardly realize that next Tuesday is that eventful day—the opening of the Breckenridge County Fair—for which thousands of people have been waiting three hundred and sixty-five days. And it will be worth the waiting and the working for prospects for a great fair have never been so flattering as they are now.

Secretary Highly Pleased

In speaking to Secretary, M. B. Kinchloe, about the Fair he said: "We have the assurance of the best live stock exhibit ever made at a county Fair in the State. Everybody I have heard from or seen is coming. We have two or three stables of horses on the grounds now and by this time next week the place will be crowded. Our grounds are all ready and we are only waiting for the time to arrive. Everyone in this section is very enthusiastic."

President Assured of Success

President C. V. Robertson, who attended the Bluegrass Fair at Lexington and the Grayson County Fair at Leitchfield says he expects the Breckenridge Fair to excel both in every way. Mr. Robertson says that efforts have been exerted to the limit to make this year's Fair the best agricultural show and the best farmers all over the county are manifesting great interest to make a fine display of products.

A Real Home Coming

The best part of the Breckenridge Fair is that it is a real home coming.

Was it The Regulars?

Jolly took a good game from the Hardinsburgers Saturday, the score being 5 to 4. Laid did some fine twirling for Hardinsburg and Bowman was right there with the goods on third. Curtis has played a good game for Jolly. He is a good left fielder as ever walked over third and has a splendid wing.

Baldwin-Davis

News has been received here of the marriage of Miss Blanche Baldwin to Mr. Bernie Davis. The wedding took place in Evansville August the seventh. The bride formerly lived here and was a charming member of the younger set.

Bruner's Plan Adopted.

At a meeting of the directors of The Farmers Bank of Hardinsburg August 15th, Dr. Ben L. Bruner's plan of bank examination was unanimously adopted the following members being present: Dr. Wm. L. Milner, A. C. Glascock, J. W. Guthrie, Allen K. Kinchloe, Houston Alexander and J. W. Teaf.

Lot Given Away at Cloverport Lot Sale, Saturday, Aug. 27th. You do not have to buy and you don't have to even bid, all we ask is that you be out on the grounds.

family and neighborhood reunion, a smelting place for the young and old. People who get to see each other but once a year, meet there and exchange pleasant and profitable ideas. Mr. C. H. Drury, vice president of the Association, expects to see more of his good friends this year than he has ever met before.

All Have Good News

Messrs J. M. Howard, W. H. Mooreman, Jr., John O'Reilly, P. M. Beard, J. F. Mullen, Mike Miller and M. B. Kinchloe, the Directors, all have been fully convinced that this will be the biggest show in the history of the Association. Each one has received sufficient information in regard to every department of the Fair that assures them that next week will be the red letter week for all Breckenridge.

Meet us at the Fair

Thursday at the Mason's barbecue one could hear "Meet us at the Fair" every time he turned around. One who must have said that a hundred times was Mr. John D. Babbage, editor of the News. He will have his usual stand at the grand stand and the "dear old News" will be opened to everybody. If anyone has any notes of interest about his display of products, cattle, etc at the Fair, bring them to the News booth. The editors of the News are always glad to learn everything pertaining to people and their interests. Visit the News booth at the Fair!

THE BRECKENRIDGE NEWS,

JNO. D. BABARGE SONS' PUBLISHING CO.

Issued Every Wednesday.

EIGHT PAGES.

CLOVERPORT, KY., WEDNESDAY, AUGUST 24, 1910

President Taft is said to be hard at work on a campaign letter. It might be mistaken for an overture of peace with Col. Teddy.

Prof. Joel H. Pile has returned to his home in Hardinsburg after attending the summer session of Columbia University in New York.

The recent forward movement by the citizens of Louisville to spend a half million dollars for the benefit of the public schools of Jefferson county, is an enterprise that the people of the whole State will endorse.

The past week has been the busiest in Cloverport for some time. The Macons barbecue brought many home-comers and visitors who have lingered over time with their relatives and friends. This has kept the frying pans going and the merchants rushed with orders. We like company and always glad to have the visitors in our home and town. As the News barbecue souvenir said, "Come back," for we want to see you all again.

There is evidently a break between President Taft and Mr. Roosevelt. From present indications the grand old party is evidently in bad shape in New York. Mr. Roosevelt was turned down by one faction when he wanted to be the chairman of the State Republican Convention for the State of New York. They do not think Teddy is the whole show by any means, and if there is not an adjustment of differences the party will be in a bad way to carry New York this fall.

There is to be a public sale of twenty or thirty town lots here next Saturday, and from indications they will bring good prices. The lots are located in a very desirable section for building and resident purposes, and they ought to go off like hot cakes. The town needs this new addition, and the man who comes in on the ground floor in this purchase will make money. Cloverport's growth is steady and sure, and these lots will prove a desirable investment in the very near future.

Tuesday is the opening of the fourth exhibition of the Breckenridge Fair Association at Hardinsburg, and will continue until Thursday when the sun sets. After three years of experience the management of this association is able to give its patrons a better live stock and agricultural exposition than has ever been held in Western Kentucky. The entire fair promises to be of the highest class, and will be of great benefit to the people of Breckenridge and the surrounding counties.

Mr. V. G. Babbage, of this city, has recently been appointed the local attorney of this county for the Inter-Southern Life Insurance Company of Kentucky. Recently the Inter-Southern took over all the business of the Business Men's Life Insurance Company, and it is regarded now as one of the strongest insurance companies in the State doing business in the South. The Inter-Southern has already a large amount of insurance in force in this county, and Mr. Babbage has been directed to look after the legal side of the business here.

We are asking all our friends and readers to send us any new item of real value and interest, but we are compelled to request that each write-up be as brief as possible. We have had several complaints about our "cutting" articles that were sent us for publication. This is absolutely necessary; we cannot publish articles as they are sent to us, for as a rule, they are written in twice as many words as are necessary to express what must be said. To get in all the news we have to make every article as short as possible, and we sincerely trust there will be no bad feelings toward the News from our friends for changing the material they send us for use in the paper. Let us have your news notes, but let them be brief.

HARDINSBURG.

Robert Bland, of Carlisle Indiana, is here for a few weeks spending his vacation with his mother, Mrs. Fannie Bland.

C. D. Payne, ex-surveyor of Breckenridge county, moves his family here from Hites Run and will shortly open up a general merchandise store in the cannery building near the depot. Mr. Payne will make a specialty of handling products, which he will be prepared to handle in large quantities.

Marriage licenses: Phillip Basham and Jennie Wilson; Cleavis Pruitt and Myrtle Ammons; John K. Cave and Emma Armes; Virgil Johnson and Georgia Bruce.

The fifth annual camp meeting began yesterday at Kingswood to continue until Sept. 1. The preaching is being done by the Rev. B. Carradine, D. D. of St. Louis. Other well known workers and musicians are in attendance.

The merchants of Hardinsburg will close their stores at eleven o'clock each morning through the Fair. Shop-pers and visiting buyers will take notice and govern themselves accordingly.

Stock began arriving Saturday for the Fair. Several stables already filled with training up the track give a busy appearance to our fair grounds which are likely the prettiest and shadiest in all Kentucky.

Mr. and Mrs. George M. Moss left Saturday for their home in St. Louis, after a visit to Rev. and Mrs. Arthur Mather.

If the best is not too good for you Lewisport Best flour is the flour you ought to use. Sold by J. H. Gardner.

DOUBT DISAPPEARS

No One In Cloverport Who Has A

Bad Back Can Ignore This Double Proof.

Does your back ever ache? Have you suspected your kidneys? Backache is kidney ache. With it comes daisy spells, sleepless nights, tired, dull days. Distressing urinary disorders. Cure the kidneys to cure it all. Doan's Kidney Pills bring quick relief. Bring thorough, last cures. That's what Cloverport sufferers want.

Profit then by another's testimony. Twice told and well confirmed.

G. W. Waddell, M. D., Main & Cross Streets, Elizabethtown, Ky., says: "I have prescribed Doan's Kidney Pills some years ago, knowing of many cases where they had been used with the best possible results and my confidence in them during the past four years has not been shaken in the least. It may seem rather out of the ordinary for a practicing physician to recommend a proprietary medicine and I must say that there are only a few remedies that are worthy of praise. I have prescribed Doan's Kidney Pills very often and I know of many permanent cures that have resulted from their use. I do not hesitate to advise persons who suffer from kidney complaint in and of its various forms to give Doan's Kidney Pills a trial."

LOUISVILLE CONFERENCE

Of The Methodist Church Will Be
Held At Russellville Septem-
ber Twenty-Eighth--

Bishop Kilgo To
Preside

REV. HAYES WILL BE CHANGED

Russellville, Ky., Aug. 20.—The Louisville conference of the Methodist Episcopal church, south, will be held in this city September 28. Bishop John C. Kilgo, D. D., of Durham, N. C. will preside. The Rev. Mr. Prather, pastor of the church there, is now arranging for the entertainment of the many ministers and delegates who will be here. There will be more than three hundred in attendance at the session. Bishop Kilgo is one of the new bishops of the Methodist church, having been elected and ordained last May at Asheville, N. C. For years he was president of the college in his native city, and comes to the work of a bishop direct from college work. The Louisville conference will be the second one over which he has presided, having when come here, presided over the Kentucky conference which meets at Harrodsburg the week before the Louisville conference.

The conference will be in session for a week, and during that time much business will be transacted. The bishop and the presiding elders will have to reappoint every man in the conference as the appointments in the church are made for one year at a time. Many will have to move, owing to the time limit of four years. There are more pastors in the Louisville district who have served the time limit than in any other district and consequently will be

moved to some other pastorate either in the city or out of it.

The conference is composed of seven districts, which are presided over by seven presiding elders. The Rev. H. M. Mesick is presiding elder of the Louisville district, and will be changed this fall on account of the time limit, he having served for four years in that capacity. The Rev. S. J. Thompson has served for four years on the Henderson district and will be appointed to another charge. The Rev. J. W. Lewis has served four years on the Hopkinsville district and the Rev. H. F. Hayes has served four years on the Owensboro district, while the Rev. R. W. Browder has served seven years on the Russellville district and is now serving his fourth year on the Bowling Green district.

Mr. Browder was presiding on the old Russellville district for two years, and when Bishop Hendrix reduced the number of districts four years ago he was appointed to the Bowling Green district in which he has since remained. The Rev. A. P. Lyon has served for three years on the Elizabethtown district and the Rev. T. L. Hulse has served two years on the Columbia district. It is believed by those who are in position to know that many changes will be made this fall in the appointments which will entail a great hardship on many of the ministers and their families as the moves are long and expensive.

W. P. Beard Loses By Mail Storm

Last Friday this part of the state was visited by a heavy rain, which was of great benefit to the flux, corn and potatoes. Unfortunately for some however, there was considerable hail with it and in some places a great deal of damage was done. Around Bessie post office, northwest of Bowman, the farmers were hit the hardest. Anton Stetner, J. L. Burke and W. P. Beard were the heaviest losers. Mr. Burke's loss being estimated at eighty cents. E. Hogoboom's crops were also damaged. Near Amor, Mr. Malwitz and some of his neighbors suffered loss by hail. Around Stillwater there was also quite a hail storm.

It is something unusual to have a hail storm at this time of year.—Bowman, N. D. Journal.

Wants To Hear From "Joe Mul"

Dear Mr. Bablage: I send two dollars for my subscription and that of my father, Stuard Weatherholt, Nowe-squa, Ill., R. F. D. No. 1.

I would like to hear from these places through the News. What has become of "Joe Mul"? Did he go away with the storm?

Wheat and oats were good around this part of the country and there is a good prospect for corn. I remain, yours truly, Wm. Weatherholt, P. O. Box 39, Moweaqua, Ill.

EVERY FARMER

As well as every business man should have a bank account.

WHY?

Because: Your money is safer in the bank than anywhere else. Paying your bills by check is the simplest and most convenient method. Your check becomes a voucher for the debt it pays. It gives you a better standing with business men. Money in the bank strengthens your credit. A bank account teaches, helps and encourages you to save. This bank does all the bookkeeping. Your bank book is a record of your business.
